Code of conduct

BYFC aims to promote the highest standards of behaviour both on and off the pitch. By joining the club, players, coaches and supporters agree to abide by our code of conduct. This is available on the website, in the pavilion and from your coach.

We would like to remind spectators that any encouragement of players should be entirely positive.

Tesco vouchers

We are collecting Tesco sports vouchers again this year and would welcome any that you can donate. We

appreciate that other organisations are collecting too, but last season all teams benefited from new equipment. There will be a collecting box in the pavilion.

Refreshments

We are planning to offer refreshments to players and visitors on Saturday and Sunday mornings. This facility raises valuable funds for the club. A helpers rota is being organised which will be available in the pavilion. Please sign up or contact Kate French (01223 208207) or your team coach.

BYFC Kit for Sale

We have a range of kit for sale including t-shirts, sweat-shirts, team shorts and training jackets We are keen for everyone to wear the club kit. Contact your coach for an order form.

Training

Many of you will have seen the new Astroturf pitch at the Village College. There have been some teething problems but we feel that this is an excellent facility and a significant improvement on the old tennis courts. Despite being charged more by the College we are hoping to keep the cost of training to £1 a session.

Website

Our website www.byfc.org.uk has details of all upcoming fixtures, pages for each team, and links to relevant league tables.. Thanks to Jerry Lovejoy for keeping it up to date.

Veterans Team

Our Coaches/Dads team is training regularly on Tuesday evenings 8-9pm on the Astroturf pitch at the village college. We also hope to organise a few matches. Contact your team coach for details.
