January 2008

## Happy New Year !

Welcome back and we hope that everyone enjoyed the festive season and the short break from football.

We are pleased to announce that we have received a grant from the Football Foundation to replace the goalposts at Bassingbourn Primary school. This will benefit both the School and BYFC and we hope to move our 11-a-side games (U11 and U13 Girls) to the Primary School when the goals are in place.

## Yes they are back !

Following the great success of our event last year we will again be holding a Snail Racing evening at the Primary School on Saturday 23<sup>rd</sup> February.

We will be looking for sponsors for races and also for individual snails and hope to have a race for each age group.

More details soon - tickets will be limited and are likely to sell out quickly.

## Tesco vouchers

Thank-you for all the Tesco vouchers we have received. We collected a record number – more than 3,600 which we plan to use to stock up on balls, bibs and other equipment.

## Refreshments

Thank-you to all who have served refreshments so far. We are always looking for helpers so if you can assist just one morning we would be very grateful. A helpers rota is available in the pavilion or contact Kate French (01223 208207) or your team coach.

## BYFC Kit for Sale

We have a range of kit for sale including t-shirts, sweat-shirts, team shorts, training jackets and hats. Contact your coach for an order form – all proceeds go to the club.

## Boot Recycling

We are aware that children grow fast and that football boots are often not worn out when they become too small. We hope to have a boot recycling scheme set up in the pavilion. If you have boots to donate (clean please) then leave them in the bin, and feel free to look through them.

## Environmental sustainability

BYFC are keen to encourage responsible use of limited natural resources and the principles of sustainability. We would therefore like to encourage sharing lifts to away matches and to Bassingbourn if you are driving to the Rec.

## Training

Thank-you for your understanding during the initial teething problems at the College, but we are pleased with the new facility. For the remainder of the year the cost of training will remain £1 a session.

## BYFC CADs

BYFC Coaches And Dads train on Tuesday evenings 8-9pm at BVC and are playing Ashwell Vets AWAY on Sat 19<sup>th</sup> January.

\*\*\*\* STOP PRESS \*\*\*\*

*Our FA Charter Status has been renewed – thanks to all coaches & committee members for their help with this.*
