

## End of season

We are reaching the end of another season of growth for BYFC. We will again be holding our traditional awards event on 17<sup>th</sup> May where the achievements of all our players will be recognised. More details below.....

Thank-you to all who have supported and helped BYFC this season. We are already making plans for next year and would welcome suggestions and comments from parents and players. The club Annual General Meeting which is open to all, will be held in June – full details will be available at the awards night.

As our teams grow older, although the children are more independent, we actually need more help running the teams. Once we are playing 11 a side football we need a coach, referee and linesman for home games.

We are always keen to hear from anyone who can help BYFC in any way – coaching, refereeing or with administration. If you could spare a little time to help the club we would be very grateful – it is very rewarding. Please contact your team coach.

## Snail race evening

Thank-you to all who attended and supported the Snail race evening. We raised more than £600.

## New goalposts for Bassingbourn Primary School

Those of you who attend Bassingbourn Primary School may be aware that we have installed new goalposts, with the help of a Football Foundation grant.

To cope with continued growth of the club and avoid overuse of the recreation ground, we plan to use the school for some training, and to play 11 a side matches there next season. Thank-you to the school for their help, the Football Foundation, and all who helped put them up.

## Raffle

Thank-you to all who bought raffle tickets for the Arsenal v Reading tickets kindly donated by Emirates.

The lucky winners of the main prize were the Denchfield Family – we hope you enjoyed the game

## Registration 2008-9

Details of registration process for the 2008-9 season will be available at the awards night. Please help your team coach by returning forms promptly.

## BYFC CADs

BYFC Coaches And Dads train on Tuesday evenings and have an international competition to look forward to in Paris in June.
