

Well done to all BYFC teams for their efforts over the season. As a village team mostly competing against bigger clubs it is good to be able to report success for BYFC.

BYFC U11 Girls win Cambridgeshire FA League Cup

BYFC U11 girls won an exciting League Cup Final 2-1 on Saturday 1st May at Cambridge City's ground. Having narrowly missed out on winning the league (ending in 3rd two points behind Posh and Haverhill), the girls had a closely fought game against Posh Girls (Peterborough Utd). They started the game well and scored halfway through the first half to take a deserved lead. An injury to a key player disrupted the team and Posh came back into the game to equalise before half-time. A tense second half followed with the girls taking the lead again and then managing to keep Peterborough at bay despite a few last minute nerves.

The girls deserve a lot of credit for their performance and for their first season. Previously the cup has only been won by teams from Cambridge (Utd & City), Peterborough Utd, and on one occasion by Royston.

Tesco Vouchers

BYFC are collecting Tesco Vouchers. Last year we raised enough to get match balls for each team and new sets of corner flags.

We appreciate that the schools are also collecting them but if you can donate any to BYFC they will be gratefully received. Please pass them to any of the coaches or committee member.
